Case No. 2:07-cv- 0694-RLH-LRL

ORDER
(Motion to Stay-#113)

14 Before the Court is Defendants' Motion for Stay of Proceedings (#113, filed
15 December 14, 2010), seeking to stay the case until the Court rules on their Motion for Summary
16 Judgment. A stay of the case is not warranted. However, what appears to be the purpose of the
17 motion is to delay the required filing of the Joint Pretrial Order until after the decision on the motion
18 for summary judgment. This request is reasonable.

19 IT IS THEREFORE ORDERED that the Defendants' Motion for Stay of Proceedings
20 (#113) is denied, but the deadline for filing the Joint Pretrial Order is extended until 30 days after
21 the entry of the order disposing of Defendants' Motion for Summary Judgment.

22 Dated: December 15, 2010.
